The screenshot shows the Adobe Digital Editions interface. At the top, there is a header with the Adobe Digital Editions logo and a "LIBRARY" dropdown menu. Below the header, there are two main sections: "Last Read" and "Bookshelves". The "Last Read" section shows a book cover for "Web-powered Databases" by Taniar, David., Rahayu, Johanna Wenny. The "Bookshelves" section has a list of categories: "All Items", "Borrowed", "Purchased", and "Recently Read". The "Borrowed" category is selected. A table of books is displayed, with the first row showing "Web-powered Databases" by Taniar, David., Rahayu, Johanna Wenny. A dropdown menu is open next to the book title, showing options: "Open Item", "Delete Item", "Item Info", and "Return Borrowed Item". The "Return Borrowed Item" option is highlighted with a red box.
